

McNary Youth Baseball Sponsorship Program

McNary Youth Baseball (MYB) is a non-profit organization serving youth athletes and families in the heart of Keizer, Oregon.

We hope that you will support the MYB baseball program this coming season. By doing so, your support will allow us to continue to provide the best youth baseball program in Keizer. It will help us to develop in our youth a sense of good sportsmanship through a competitive spirit and provide opportunities for personal growth and development of youth athletes while also reinforcing positive influences, self-confidence, and self-esteem.

Funds are raised from registration fees and through the generous support of local sponsors and businesses. Our youth athletes and our organization rely on this financial support to provide funding for umpires, uniforms, safety equipment, field maintenance, insurance, league play expenses, and registration fees for youth athletes in need.

For our sponsors, the relationship with MYB affords exposure and access to the dynamic Keizer residential and business areas encompassing the 97303 and 97307 zip codes. MYB sponsors can gain:

- Visibility and exposure to all youth athletes and families of our organization
- Increased visibility of your business
- Potential to drive traffic to your website and/or Facebook page
- Positive public and community relations resulting from your support of MYB

There are many ways you can help support the youth athletes of MYB. We are pleased to share our Sponsorship Program, including visibility and engagement with our families and members. Once you have reviewed and selected your level, please email president@mcnaryyouthbaseball.com.
